MEMORANDUM FOR THE RECORD

SUBJECT: Request for Services of Mr. [REDACTED] Office of Central Reference.

25X1A9a

1. On Thursday, 24 January 1957, Mr. Chestum, Assistant to the Sergeant-at-Arms of the Senate, telephoned to request on behalf of the Sergeant-at-Arms and Senator Ellender the services of Mr. [REDACTED] Film Editor, to assist with the editing of film taken by Senator Ellender on his recent trip to Russia. Mr. Chestum said that Senator Ellender was extremely anxious to have this done as promptly as possible in order that he might show the film to the Appropriations Committees prior to their consideration of the Budget; he was not sure whether it would take one or two days, or perhaps a week.

2. I found that Mr. [REDACTED] was a member of the Graphics Register in the Office of Central Reference and made arrangements for him to report to the Sergeant-at-Arms (Mr. Duke) at 9:30 a.m. on Friday morning, 25 January 1957.

3. On 25 January Colonel [REDACTED] Deputy Assistant Director for Central Reference, telephoned to say that insofar as he could determine the loan of Mr. [REDACTED] would be of no value to the Intelligence Community and that it would take him from four to five weeks to do the job. We agreed, however, that in view of the nature of the request it should be honored.
